Dearborn Heights, Michigan  
Founded in 1955

Striving Together for Academic Greatness and Spirituality

Accredited by the Michigan Association on Non-Public Schools

## Mission Statement

At St. Anselm Catholic Elementary School, students excel through a wide range of academics and athletics. Results from standardized testing are consistently above the national average. In addition to our core curriculum, Spanish, Computer, Music, Art and Physical Education are provided by certified teachers with expertise in each specific subject. Many students are accepted into college preparatory high schools where they thrive academically, this success directly derived from the academics and disciplined study habits instilled at St. Anselm.

St. Anselm School uses the Iowa Test of Basic Skills (ITBS) in grades 2-8. The Principal and The Education Panel review Standardized Test results each year to ensure one year of academic growth for every student.

St. Anselm's curriculum is High School preparatory. The classes offered are intended to help the students excel in high school and prepare them to continue their education at the college level. We are proud to state that on average, St. Anselm students perform above the Archdiocese of Detroit's test average.
